* - a part of total funding allocated for Lithuania in 2007-2013 under OPs and Complements Thereof

** - a part of EU funding allocated for Lithuania in 2007-2013 under OPs and Complements Thereof

Glossary of concepts used

Allocations for 2007–2013 – the funds allocated for Operational Programmes for Lithuania under Ops for the year 2007 to 2013 (including EU Funds and national co-financing funds)

Amount of funds requested – the amount of funds requested in the registered project applications

Total value of projects under implementation – total amount of eligible project expenditure recorded in project contracts

Contracts signed – the funds of EU Funds and co-financing funds from the State budget of the Republic of Lithuania allocated for projects in project financing and administration contracts signed

Funds paid out to the projects – the funds paid out to beneficiaries and contractors (service providers and suppliers of goods), including advance payments.

Expenditure recognised as declarable to the EC – expenditure incurred by beneficiaries and verified by implementing bodies and recognised as eligible funds of the EU Funds and co-financing funds from the State budget of the Republic of Lithuania.
